

# Enjoying Culture and Art

## Okazaki Course

### Brimming with Tradition, Life and Art

#### Kyoto Museum of Crafts and Design (B1F Miyakomesse)

This museum introduces 74 categories of Kyoto traditional crafts, from dyeing and weaving to various crafts, and their background. In addition to videos of the production processes and commentary, you can also enjoy the process, technologies and techniques, such as a space where you can actually experience the product by touching it.

Distance Approx. 4 km
