

# Wheelchair Rental in Arashiyama

## Arashiyama and Sagano tour

Adashino-Nembutsu-ji Temple

### Adashino-Nembutsu-ji Temple

A touching temple at the top of the Arashiyama sightseeing district, you'll find 8000 Buddhist statues here placed in memory of those who died without kin.

Stopping on the way  
one way 1km  
Wheelchairs OK  
(Need a Caregiver)

### The Hall of the 19th Century / Diorama Kyoto Japan

One of Japan's largest railroad diorama museums. Model trains run peacefully through miniature yet lifelike recreations of historic Kyoto sites. A variety of scenes are on display, making this an excellent stop for families and visitors of all ages.

### Rakushisha

The hermitage was created by Mukai Kyorai, chief disciple of Matsuo Basho, the great master of haiku.

Rakushisha

Ogura Pond

To Torokko Kameoka

This is crowded with people who are browsing the many interesting gift stores or enjoying some takeaway food purchased along the way.

### Burari Arashiyama

This is a facility run by Kyoto Jusan Shinko Center. Anyone may use this toilet. There is one universal unisex toilet.
